

IBM Announces APAC Geography Winners of the 2025 IBM Partner Plus Awards

2025 IBM Partner Plus™ Awards Asia Pacific Winners

Singapore, March 21, 2025 – Today, IBM (NYSE: [IBM](#)) announced the Asia Pacific geography winners of the 2025 IBM Partner Plus Awards, which celebrate IBM partners who advance businesses, reshape industries and create positive impact through partnership.

“The award nominations we received in APAC were truly inspiring, reflecting the commitment, impact, and innovation our partners are delivering across industries. The winners exemplify the power of combining deep expertise with IBM technology to drive meaningful transformation and deliver exceptional outcomes for clients,” said **Chetan Krishnamurthy, General Manager, Partner Ecosystem, IBM APAC.**

The APAC geography winners of this regional round in the IBM Partner Plus Awards for each category include:

AI for Business in APAC: Tech Mahindra

Automation in APAC: Octane Software Solutions

Hybrid by Design in APAC: Truis

Modernization in APAC: GS Lab | GAVS

Sustainability in APAC: Beijing Shuto Technology

Workforce Productivity in APAC: Appolo Computers

The APAC geography winners have also been named as finalists for the global awards in each category, winners of which will be announced at IBM Partner Plus Day on May 5, 2025 during Think 2025 in Boston.

Partners self-nominated for the IBM Partner Plus Awards and entries were judged on Expertise, Partnership, Impact, Innovation, and Storytelling. Winners were selected across six categories in five geographies: APAC, EMEA, Japan, Latin America and North America. For more information on the IBM Partner Plus Awards, including a list of all geography award recipients, visit <https://www.ibm.com/partnerplus/awards>.

Partners eligible to self-nominate for the awards are part of IBM's Partner Plus, a program designed to help deepen partners' technical expertise, accelerate time to market and win with clients with AI and hybrid cloud.
